

American Augers

135 U.S. Route 42
West Salem, Ohio 44287
United States

Phone: (800) 324-4930

American Augers manufactures underground technology equipment, including state-of-the-art horizontal directional drills, earth boring machines, mud pump and cleaning systems, oil and gas drill rigs, and various product tooling or accessory items. The company builds the largest horizontal directional drills in the industry and a full range of Auger Boring machines. Developed and handcrafted in the USA, with the rugged user in mind, American Augers rigs are built to last and backed with 24-hour worldwide support. American Augers / Trenchor is second-to-none in underground construction equipment consisting of Auger Boring Machines, Maxi-Rig & Mid-Size Directional Drills, Mud Pumps & Cleaning Systems, Trenchor Trenchers & Surface Miners, as well as Tooling & Accessories. The American Augers / Trenchor names are synonymous with quality and durability, with over 60 years of underground equipment manufacturing experience. With service on the clock 24/7, American Augers / Trenchor brings two brands with one commitment to the customer. American Augers is part of the Charles Machine Works family of companies. 100% privately held by the founding family and more than 1,400 employees worldwide, Charles Machine Works represents the best of both worlds: a strong company anchored with deep roots and a workforce equipped for the future.
