

McLaughlin Boring Systems

2006 Perimeter Road
Greenville, South Carolina 29605
United States

Phone: (800) 435-9340

McLaughlin designs and builds dependable, low maintenance trenchless construction equipment, including auger boring equipment, horizontal earth drill attachments, as well as Mighty Mole drilling tool packages. As evidenced by its longevity and success, McLaughlin takes pride in providing workable solutions for OEM's and the underground industry since 1921.
