

Huxted Tunneling

3208 17th Street East
Palmetto, Florida 34221
United States

Phone: (941) 722-6613
Fax: (941) 722-6615

Huxted Tunneling is a State of Florida Certified Underground Utility Contractor (CU-CO49466), with equipment capable of accomplishing virtually all types of jack and bores, tunnels, or microtunnels. Huxted Tunneling is the first Florida Utility Contractor to specialize in Microtunneling successfully and owns one of the largest fleets of equipment in the country. Their experience, equipment, and certifications, in addition to an excellent reputation in the field, allow them to bid and perform a broad range of projects.
