

NASTT-NE Regional Chapter

PO Box 183
Methuen, Massachusetts 01844
United States

Northeast Regional Chapter, a member of the North American Society for Trenchless Technology is a non-profit organization established to promote Trenchless Technology education and development for public benefit in Connecticut, Maine, Massachusetts, New Hampshire, New York, Rhode Island and Vermont. The Northeast Regional Chapter is represented by HDD - Horizontal Directional Drilling, Pipe Bursting, Pipe Ramming, Jack and Bore, and other Trenchless Industry contractors. It is also supported by our associate members including equipment and drilling fluid manufacturers, HDPE Pipe suppliers, engineers and product support services. The organization's website is designed as a tool for those of you who want to learn more about Trenchless Technology and its real life applications. You will find educational information, links to help you gain knowledge, and contacts through our membership listings.
