MTI ® Equipment, headquartered in Englewood, Florida is a global distributor of used HDD equipment worldwide. The company maintains the most extensive inventory of reconditioned HDD equipment for all major brands. Every machine MTI resells goes through a comprehensive inspection program and is reconditioned to a customer's specifications. Their knowledgeable and experienced employee-owners serve customers from 40 countries. All RE-HDD Certified drills go through an 80 point inspection by our highly trained technicians and the quality control experts. MTI created this process to make sure that you receive quality pre-owned HDD equipment that is truly ready to go to work. With over 90 drills in stock at all times, you are invited to visit and operate the entire selection of used HDD equipment at their Test Facility. MTI ® Equipment is part of the Charles Machine Works family of companies. 100% privately held by the founding family and more than 1,400 employees worldwide, Charles Machine Works represents the best of both worlds: a strong company anchored with deep roots and a workforce equipped for the future.
