Ditch Witch offers trenchless technology products that include pipe bursting equipment, horizontal directional drilling equipment, HDD Guidance Systems, and piercing tools. Beneath lawns, sidewalks, busy streets, highways, and everywhere trenching is prohibited by logistics, budget, deadline, and surface obstacles. Ditch Witch trenchless units efficiently install and replace telecom and utility pipe. Ditch Witch is part of the Charles Machine Works family of companies. 100% privately held by the founding family and more than 1,400 employees worldwide, Charles Machine Works represents the best of both worlds: a strong company anchored with deep roots and a workforce equipped for the future.
