

StraightLine HDD, Inc.

1816 E. Wasp Rd.
Hutchinson, Kansas 67501
United States

Phone: (800) 654-3484

StraightLine HDD specializes in the design, development, and manufacture of professional Horizontal Directional Tooling, including Air Hammer Systems, Reamers, Mud Mixers, Bits, Transmitter housings, Adapters, and other HDD tools. StraightLine's inventory items primarily target American Augers®, Astec®, Case®, Ditch Witch®, Robbins®, StraightLine® and Vermeer® brand equipment. They can cut 78+ thread types common to the HDD industry, from Ditch Witch® JT520 to 6 5/8" FH, with new connections being added as the industry expands. Regardless of the brand or size of the drill, or the ground conditions, StraightLine is committed to making your HDD operation the very best it can be.
