

Aries Industries, Inc.

550 Elizabeth Street
Waukesha, Wisconsin 53186
United States

Phone: (262) 896-7205

Aries Industries, Inc. is an innovative leader in the manufacturing of closed circuit TV inspection and rehabilitation equipment in underground infrastructure and environmental applications. Aries Industries is the largest supplier of pipeline inspection equipment to contractors and municipalities in the nation. They are the only manufacturer that offers everything from high-tech compact steerable transporters to simple and robust non-steerable systems that are easy for users to maintain themselves.
