

Gene's Water & Sewer

3134 California St. NE
Minneapolis, Minnesota 55418
United States

Phone: (612) 781-3737

Gene's Water and Sewer, in Minneapolis, Minnesota, offers CCTV pipe inspection, repairs, and installation of sewer and water piping using various no-dig, trenchless technology methods. They can repair your broken sewer or water lines without disturbing your beautiful landscape. Using Nu Flow Technologies cured-in-place epoxy pipe lining method, new pipe liners can be installed in your current pipes without the need to dig trenches and tear up your yard.
