Liverpool, New York 13088
United States

Phone: (315) 451-2770
Fax: (315) 451-8503

JGB Enterprises, Inc. is a leading supplier of hoses and hose assemblies for commercial and military applications throughout the world. Based in Liverpool, NY, JGB® provide solutions for Industrial, Hydraulic, Fire protection, Food, Petroleum, Oilfield, Snow Making, Paint Spray, Concrete Pumping, and many other industries. The company has carefully researched these markets to learn what customers need most and the best way to satisfy that need. The most popular assemblies in each market are stocked in large quantities to allow for same day shipment. JGB Enterprises' \$20 million inventory of hose, fittings, and hose assemblies practically guarantees same day shipping, the facilitation of just-in-time services, and dramatically reduces the frequency of back orders. JGB® also provides Vendor Managed Inventory (VMI), whereby sales personnel will manage customer inventories, via bar code scanners or bin label systems, on an as-needed basis at customer sites.
