Radius Professional HDD Tools is a leading underground drilling and boring tool manufacturer in Weatherford, Texas. Radius offers its complete line of quality underground tools suitable for various brands of HDD Rigs to HDD Professionals worldwide through the industry's most comprehensive catalog and website. The company has over 1000 tools, parts, and supplies, all available through their catalog, including adapters & subs, rock bits, glacier bits, thread-on blade adapters, and single roller cone bits. Radius HDD Direct is part of the Charles Machine Works family of companies. 100% privately held by the founding family and more than 1,400 employees worldwide, Charles Machine Works represents the best of both worlds: a strong company anchored with deep roots and a workforce equipped for the future.
